

Tea News Alert/An Online Publication of the Independence Hall Tea Party Association

Volume 1, Issue 1

Greetings Fellow Tea Partiers and Friends,

The summer is finally heating up—and it's not due to global warming. The **Obama Administration** is coming to town!

Health and Human Services Secretary Kathleen Sebelious will take part, **this Sunday**, in a **Specter Town Hall Meeting** at the **National Constitution Center**.

Their agenda—promote **ObamaCare**.

Let **Obama, Sebelious, and Specter** know your thoughts on their plans to take control of **1/6 of the Nation's economy!**

Join us for a pre-event rally, Sunday, August 2, 1:30 PM at the **Constitution Center**.

As other groups will also be protesting, look for our banner.

The Specter Town Hall Meeting begins at 3 PM. (Please see the attached flyer.)
